

## The Circus is coming to State Center August 10th

The State Center Fire & EMS are bringing the Culpepper & Merriweather Circus to State Center August 10th, 2017! The Circus will be located at the Figgins field. There will be two shows with the first show starting to 5:00pm with the second show following at 7:30pm. Tickets are \$10 for adults and \$7 for kids. This is a fundraiser for the State Center Fire & EMS as we are trying to purchase the Jaws of Life. This is a crucial tool in extrication during an accident. Every minute counts to get you to safety! If you would like to purchase tickets, please contact any member of State Center Fire & EMS, or tickets are available to purchase at Central State Bank, St. Andrew's Grill & Bar, Eck-

hardt Enterprises, or United Bank & Trust in Marshalltown. The Fire Department will also be selling tickets Thursday evenings at the State Center Farmers Market from 5pm to 7pm up until August 3rd. Tickets will be available to purchase the day of the show as well. Lets fill up the Big Top!
